

THE PARTICIPATION HOUSE PROJECT DURHAM REGION FAMILY INFORMATION NIGHT

Meeting Details:

Throughout these uncertain times, The Participation House Durham Region wants to keep you connected to the services you depend on.

Please join us for an online meeting to learn more about Meta Vocational Services “HYPE” Employment Program, GO Program, ODSP Employment Supports, and how PH and Meta are collaborating to ensure success with employment supports.

RSVP to hold your spot, information is an expanded update from previous information shared. Virtual platform allows people to be interactive in the moment, direct responses with asking questions verbally or in the text box.

META envisions a community that supports competitive and diverse employment for all individuals. META is excited to continue our Helping Youth Prepare for Employment (HYPE) program. During this 20 week paid program, participants will gain soft skills, certificates, industry specific training and hands-on experience.

Even though our services are currently suspended, we want to provide you with valuable information about services offered in our Community.
